Repair Kit For Grading

A Repair Kit For Grading

offers lots of possibilities

for how to change the way

grades are thought about,

many of them I agree with

like not putting zeroes in

the grade book or not giving

extra credit. I'm just not

sure how practical some of

the suggestions are.

Certainly good conversation

though. flag Like · see

A Repair Kit: Fixes for Broken Grades

The title of this book says it all--it is a repair kit for fixing the "broken" grading system we currently have. This book is full of ideas that challenge the traditional way we grade, but these challenges make total sense in light of what we now know about quality assessments and student learning.
