Before She Met Me is a book filled with the great British humor of Julian Barnes. It has its flaws, to be sure, but they are minor ones. One of the characters is truly reprehensible, but his appearances are so few and far

Jean Serjeant, the

atop the White Cliffs of Dover, then pop over to see the Royals, now on contract to Sir Jack, in their scaled-down version of Buckingham Palace. Every detail has been considered: even the postcards come pre-stamped! Julian Barnes' first novel in six years is

a ferociously funny examination of the search for authenticity and truth in a fabricated world.

Brilliantly imagined and irresistibly readable, Arthur & George is a major new novel from Julian Barnes, a wonderful

combination of
playfulness, pathos
and wisdom.

Searching for clues,
no one would ever
guess that the lives
of Arthur and
George might
intersect. Growing
up in shabby-
genteel nineteenth-
century Edinburgh,
Arthur is saddled
with a dad who is a

he wishes to

propelled into a life

of action. To his

astonishment, his

career as a self-

made man of letters

brings him riches

and fame and, in the

world at large, he

becomes the

perfect picture of

the honourable

English gentlemen.

George is irredeemably an outsider, and has no hope of becoming such a picture.

Though he 's dogged and logical, a vicar 's son from rural Staffordshire, he is set apart, and he and his family are targeted in his boyhood by a

poison-pen
campaign. George
finds safe harbour
in the reliability of
rules, and grows up
to become a
solicitor, putting his
faith in the
insulating value of
British justice.
Then crisis upsets
the uneasy
equilibrium of both
men ' s lives. Arthur

File Type PDF Before She Met

is knocked for a loop by guilt and other dishonourable emotions. George is put to the sorest test, accused of a horrible crime. And from that point on their lives weave together in the most profound and surprising way, as each man becomes the other 's

salvation. Arthur & George is a masterful novel about low crime and high spirituality, guilt and innocence, identity, nationality and race. Most of all, it ' s a profound and witty meditation on the fateful differences between what we believe, what we

File Type PDF Before She Met

know and what we can prove. George and his father pray together, kneeling side by side on the scrubbed boards. Then George climbs into bed while his father locks the door and turns out the light. As he falls asleep, George sometimes thinks of the floor, and how

File Type PDF Before She Met

his soul must be scrubbed just as the boards are scrubbed. Father is not an easy sleeper, and has a tendency to groan and wheeze.

Sometimes, in the early morning, when dawn is beginning to show at the edges of the curtains, Father will

File Type PDF Before She Met

catechize him.

"George, where do you live?" "The

Vicarage, Great Wyrley."

"And where is that?"

"Staffordshire, Father."

"And where is that?"

"The centre of England."

"And what is England,

George?" "England

is the beating heart

of the Empire,
Father." "Good. And
what is the blood
that flows through
the arteries and
veins of the Empire
to reach even its
farthest shore?"
"The Church of
England." "Good,
George." And after
a while Father will
begin to groan and
wheeze again.

George watches the outline of the curtain harden. He lies there thinking of arteries and veins making red lines on the map of the world, linking Britain to all the places coloured pink: Australia and India and Canada and islands dotted everywhere. He

thinks of blood
bubbling through
these tubes and
emerging in
Sydney, Bombay,
the St. Lawrence

Bloodlines, that is a

somewhere. With
the pulse of blood in
his ears, he begins
to fall asleep again.
