"Remembering the past gives power to the present," says Leila Leong, the narrator of Fae Myenne Ng's incantatory first novel. "Memories do add up." Our memories, she continues, can't bring back the dead, "but they count to keep them from becoming strangers." Moving backward in time like Harold Pinter's "Betrayal" or the Stephen Sondheim musical "Merrily We Roll Along," "Bone" is a memory-novel ...

Fae Myenne Ng - Asian American and Asian Diaspora Studies

In this profoundly moving novel, Fae Myenne Ng takes readers into the hidden heart of San Francisco's Chinatown, to the world of one family's honor, their secrets, and the lost bones of a "paper father." Two generations of the Leong family live in an uneasy tension as they try to fathom the source of a brave young girl's sorrow.

Bone : Fae Myenne Ng : 9781401309534 - Book Depository

(1) For instance, Fae Myenne Ng's *Bone*, published in 1993, revolves around the theme of subject-formation of excluding and including others, meaning not only family members, but also one's ethnic roots. Even more, this text is never consistent on the theme of self-constitution, since it offers at least two oppositional, albeit dovetailing, paradigms of processing one's being, that is, ones ...
