By Late Iron Age times and into the first years AD, Roman authors record that the Druidic religion flourished in Britain, and had an important influence on the Continent. 15

Certainly the Romans saw it as a threat, and after their conquest they made strenuous efforts to stamp it out - efforts which culminated in a

My Roman Britain. IF  
THERE IS a big divide  
in my subject, it is  
between prehistory and  
Roman archaeology.  
Prehistorians like me  
deal with vast expanses  
of time, and rarely if  
ever see writing or  
inscriptions. Our  
approach to the past is  
usually deeply rooted in  
anthropology.
