Scope. The Geological Society of
Norfolk exists to promote the study
and understanding of geology,
particularly in East Anglia. The
Bulletin appears yearly and publishes
original research papers, notes,
discussions or comments, and review
articles relevant to the geology of
East Anglia as a whole, and does not
restrict consideration to articles
covering Norfolk alone.

The GSA Bulletin is the Society's premier scholarly journal, published continuously since 1890. Its first editor was William John (WJ) McGee, who was responsible for establishing much of its original style and format. Fully refereed, each bimonthly issue includes 16-20 papers focusing on the most definitive, timely, and classic-style research in all earth-science disciplines.

Welcome to the Geological Society of
Norfolk. Here you will find everything
about our society, including how to
join, what we do, our aims, and a list
of forthcoming field trips and
lectures. Most abstracts from all GSN
bulletins (1953-2009) are now
available to download on ' Our
Bulletin ' page. For all papers relative
to the geology of Norfolk, we have a
special 'GSN Earth Science Database'
now containing over 1430 records.
