Business Analysis and Valuation: IFRS edition ...

About the books. The new edition of Business Analysis and Valuation builds on the strong success of the first IFRS editions, providing students with the knowledge of how to use financial statement information to assess a firm's financial performance, value, and creditworthiness. These texts are primarily aimed at Masters and upper-level undergraduate programs in business and builds a bridge between accounting and finance, therefore making it accessible to both finance and accounting students.

Cengage Learning - Business Analysis and Valuation
Business Analysis and Valuation, Third IFRS Edition provides comprehensive coverage on how to use financial statement data in a variety of business analysis and valuation contexts. The text's key strength is that it both offers a framework for business analysis and valuation but also shows how this framework can be applied in a variety of decision-making contexts.
