Gaius Julius Caesar (/ ˈsiːzər / SEE-zər, Latin : [ˈɡaːi.ɔs ˈjuːli.ɔs ˈkaɛ .sar]; 12 July 100 BC - 15 March 44 BC) was a Roman general and statesman who played a critical role in the events that led to the demise of the Roman Republic and the rise of the Roman Empire.

Julius Caesar - Wikipedia

Caesar changed the course of the history of the Greco-Roman world decisively and irreversibly. The Greco-Roman society has been extinct for so long that most of the names of its great men mean little to the average, educated modern person.

This "captivating biography" of the great Roman general "puts Caesar's war exploits on full display, along with his literary genius" and more (The New York Times) Tracing the extraordinary trajectory of the Julius Caesar's life, Adrian Goldsworthy not only chronicles his accomplishments as charismatic orator, conquering general, and powerful dictator but also lesser-known chapters during which he was high priest of an exotic cult and captive of pirates, and rebel condemned by his own country. Goldsworthy also reveals much about Caesar's intimate life, as husband and father, and as seducer not only of Cleopatra but also of the wives of his two main political rivals. This landmark biography examines Caesar in all of these roles and places its subject firmly within the context of Roman society in the first century B.C. Goldsworthy realizes the full complexity of Caesar's character and shows why his political and military leadership continues to resonate thousands of years later.

Caesars Weg, auf dem er seinen Aufstieg betrieb, war nicht unbedingt neu; er folgte lange Zeit einem Kurs, der zwar den Standesgenossen miSSfiel, aber keine unuberbruckbaren Gegensatze aufriSS. WAs jedoch bei Caesar neu war, war die Hohe seines Einsatzes. Schulden machte jeder fur die Karriere, aber Caesar machte so hemmungslOs Schulden, daSS er am Rand der Katastrophe balancierte und jeder Ruckschlag zur Katastrophe hatte werden konnen. Caesar erlitt aber keine Ruckschlage, und davon war er offenkundig ausgegangen. ER glaubte so unerschutterlich an sein Gluck und seine uberlegenen Talente, daSS auch der hochste Einsatz fur ihn nur konsequent war. ER spielte 'Alles oder Nichts', und er scheint nie daran gewweifelt zu haben, daSS er gewinnen wurde. Der vorliegende Band enthalt eine fesselnde Biographie des wohl beruhmtesten romischen Politikers, Militars und - Spielers.

This a presentation of the works of Julius Caesar in English translation. This includes his Gallic Wars and Civil Wars, plus three shorter works. Beyond its importance as a source document for military and Roman history, Caesar's clean prose style has long made his Gallic Wars the text of choice for second-year Latin. It is also of interest because of his first-hand observations of the Celtic tribes that he was waging war on. For instance, Book 6 contains a long passage about Gaulish society, the Druids, and his famous description of the original burning man ritual. Gaius Julius Caesar (13 July 100 BC - 15 March 44 BC), usually called Julius Caesar, was a Roman politician and general who played a critical role in the events that led to the demise of the Roman Republic and the rise of the Roman Empire. He is also known as a notable author of Latin prose.

A professor of history and classics describes the actual events of March 15, 44 BC, when Julius Caesar was murdered during the Roman civil wars, and compares them to those outlined by William Shakespeare in his famous play.--Publisher's description.

Looks at the life and accomplishments of the ancient Roman general and leader.

Colleen McCullough's track record in publishing reads like Caesar's triumphs in battlewide-ranging in scope, masterful in style, unequalled in achievement. From her almost twelve-million-copy-selling Thorn Birds through her four novels in the Masters of Rome series, McCullough has never faltered. Here she turns her attentions to Caesar's conquest of Gaul and to his momentous decision at the river Rubicon to claim his place in the government of Rome. At a time that preceded the technology of any firearm, when military acumen, strategy, and leadership were all, it was Caesar's genius that prevailed, over and over. What Caesar accomplished in Gaul is the stuff of historical epic, of military academies, and of this novel. He was utterly awesome. Yet history forgets that Caesar was also a man, not immune to the human condition. He succeeded brilliantly, but he also suffered great personal grief and disappointment. It is the full portrait of Caesar, a man destined to inspire an empire, that Colleen McCullough paints here--faithfully, magnificently, and in radiant light. "McCullough is on fire.... Caesar is one of her strongest and most fascinating characters."San Francisco Chronicle

The first major biography in decades examines the full complexity of Julius Caesar's character in an incisive portrait that shows why his political and military leadership continues to resonate two thousand years following his death.

This legendary Shakespeare series features authoritative and meticulously researched texts paired with scholarship by renowned Shakespeareans. Updated for the 21st century by editors Stephen Orgel of Stanford University and A. R. Braunmuller of UCLA, each book includes an essay on the theatrical world of Shakespeare's time, an introduction to the individual play, and a detailed note on the text used. With all new cover designs, these affordable Shakespeares are perfect for students, teachers, scholars and theatre professionals alike.

As politician and diplomat, writer and lover, but above all as a military genius, Julius Caesar is one of the perennially fascinating figures in history--Boswell called him "the greatest man of any age." Christian Meier's authoritative and accessible biography is the definitive modern account of Caesar's life and career, setting Caesar's life story against the rich political and social background of the Late Roman Republic.
