Call An Audible, in simple terms, dramatically inspires you to drop that lifestyle in the blink of an eye and pursue whatever career makes you happy. I read Coach Robert's book during the summer going into my freshman year of college, and now getting into my first weeks on campus, and having had the privilege of getting to discuss the book with Coach Robert's in person (I got to UT Austin), I know two things.

To "call an audible" is when you are on a date, or trying to pick someone up at a bar and the other party is not interested in you. The uninterested party will then "call an audible" on you by working in an interjection / rejection into their dialog in order to possibly soften the blow of rejection. This will allow them to state their judgement on you, or their actual position without them outright explaining to you that you need to back off.
