Documentation Of Homebound Status

Documentation of Homebound Status. Documentation from the certifying physician's medical records and/or the acute/post-acute care facility's medical records is used to support the certification of home health eligibility. This documentation must support the patient's need for skilled services and homebound status.

Determining Homebound

Documentation of the homebound status needs to be clear throughout the duration of care. Whether stated or implied, the homebound status must be obvious from a reviewer's standpoint. All homebound documentation in the Plan of Care (POC) must be supported by documentation in the medical record as well.

Homebound Status - Alora Health

Homebound status is not always permanent. A patient recovering from surgery, an accident, or episode of acute illness can be homebound for a short term. However, once that status changes, the patient must be discharged for outpatient care or follow up. By the same token, homebound status cannot change on a day-to-day basis to meet with the convenience of homecare. Staying home from outpatient therapy for a few days because of flu or a cold does not a homebound status make.
