R Markdown is an authoring format

Get Free Dynamic Documents With R And

knitr that enables easy creation of dynamic documents, presentations, and reports from R. It combines the core syntax of markdown (an easy-to-write plain text format) with embedded R code chunks that are run so their output can be included in the final document. R Markdown documents are fully reproducible (they can be automatically regenerated whenever underlying R code or data changes).

R Markdown - Dynamic Documents for R – RStudio Support

The book *Dynamic Documents with R and knitr*, provides a thorough introduction to both the use and creation of the R package knitr. knitr is a dynamic document engine, meaning that it produces documents that are responsive to changes in the source code. The most typical use-case for
