Four Corners is a bare-knuckled debut novel about life, love, and violence along four states of the American southwest – both a savage, mean-streets thriller and a heartbreaking story of unfortunate love. For the better part of thirty-seven years, Frank Bruce has hobbled through life, dragging his hunger for amphetamines, alcohol, and crime behind him like a

heap of tarnished weight. Now, emboldened by the love of his child-fiancé Maddie Nicole, Frank goes on the run through the drug underworld of the Southwest trying to save a young boy from his meth-riddled father and casino mogul grandfather. Caught in a cat-and-mouse chase but still determined to protect what he loves, Frank seeks help from his onetime mentor, legendary drug kingpin Jon Santer. But in doing so, Frank triggers a vile reckoning with his terrible, violent past.

Ever heard about the four corners of the circle? Since childhood, it has been taught in schools that the circle has no corners. Life is a never-ending marathon. It keeps on revolving in circles, and everyone is in search of a final destination, a corner, that they never reach. This book is a small initiative to throw light on different aspects of the education system and how could we join hands to make it more

productive. It guides the aspiring students to follow a right approach, take correct decisions, and overcome distractions in their career. It advocates that the educational institutions should focus on enlightening the lives of the students by providing quality education, quality learning ambience, practical grounds to implement class room theories, and by helping students convert their black cat into a white one. The book is neither biased toward students nor educational institutes; the sole purpose is to provide their individual perspectives and reach to a
