All four documentaries are now considered classic LGBTQ documentaries. In recent years they have branched out into narrative features, including Howl (2010), concerning Allen Ginsberg's prophetic poem ...

First published in 1956, Allen Ginsberg's Howl is a prophetic masterpiece—an epic raging against dehumanizing society that overcame censorship trials and obscenity charges to become one of the most widely read poems of the century. This annotated version of Ginsberg's classic is the poet's own re-creation of the revolutionary work's composition process—as well as a treasure trove of anecdotes, an intimate look at the poet's writing techniques, and a veritable social history of the 1950s.

Allen Ginsberg was the bard of the beat generation, and Howl, Kaddish and Other Poems is a collection of his finest work published in Penguin Modern Classics, including 'Howl', whose vindication at an obscenity trial was a watershed moment in twentieth-century history. 'I saw the best minds of my generation destroyed by madness, starving hysterical naked' Beat movement icon and visionary poet, Allen Ginsberg broke boundaries with his fearless, pyrotechnic verse. This new collection brings together the famous poems that made his name as a defining figure of the counterculture. They include the apocalyptic 'Howl', which became the subject of an obscenity trial when it was first published in 1956; the moving lament for his dead mother, 'Kaddish'; the searing indictment of his homeland, 'America'; and the confessional 'Mescaline'. Dark, ecstatic and rhapsodic, they show why Ginsberg was one of the most influential poets of the twentieth century. Allen Ginsberg (1926-97) was an American poet, best known for the poem 'Howl' (1956), celebrating his friends of the Beat Generation and attacking what he saw as the destructive forces of materialism and conformity in the United States at the time. He was inducted into the American Academy of Arts and Letters, was awarded the medal of Chevalier de l'Ordre des Arts et des Lettres by the French Minister of Culture, won the National Book Award for The Fall of America and was a co-founder of the Jack Kerouac School of Disembodied Poetics at the Naropa Institute, the first accredited Buddhist college in the Western world. If you enjoyed Howl, Kaddish and Other Poems, you might like Jack Kerouac's On the Road, also available in Penguin Modern Classics. 'The poem that defined a generation' Guardian on 'Howl' 'He avoids nothing but experiences it to the hilt' William Carlos Williams

The epigraph for Howl is from Walt Whitman: "Unscrew the locks from the doors!/Unscrew the doors themselves from their jambs!" Announcing his intentions with this ringing motto, Allen Ginsberg published a volume of poetry which broke so many social...

Considered the single most influential work of post-WWII United States poetry. A strident critique of middle-class complacency, consumerism, and capitalist militarism, HOWL also celebrates the pleasures and freedoms of the physical world. In addition to "Howl," poems in the book include: "A Supermarket in California," "Sunflower Sutra," "America," "In the Baggage Room at Greyhound," "Transcription of Organ Music," and "Wild Orphan," among others.

Seminar paper from the year 2014 in the subject English Language and Literature Studies - Literature, , language: English, abstract: "Howl" was written by Allen Ginsberg in 1955 and is probably the most important, most discussed and one of the best known poems of the 20th century. Even its first public reading represents one of the major events on modern literary history (Gaughan 124). Ginsberg was intensely influenced by people and events that surrounded him when writing "Howl". "Howl" is in a way what its title says: A howl of a young man that is disgusted by the culture he finds himself in. Ginsberg provided a counter culture, in circles of like-minded friends. They framed the anger of a whole generation in their literature and formed a rebellious movement, the so called Beat Movement ("Beat writers" 39). When "Howl" was published a fierce discussion started because the poem was different from the common poetry of the 1950s concerning the content, the form and the language. "Howl" was also adapted in a 2010 experimental movie by Rob Epstein and Jeffrey Friedman, which shows there is still an interest and a fascination for Ginsberg's poem, maybe because the topic Ginsberg howls about is still relevant (Epstein).

Written as a cultural weapon and call to arms, "Howl" touched a nerve in Cold War America and has been controversial from the day it was first read aloud. This is a critical and historical study of the work, elucidating the nexus of politics and literature in which it was written.

Now a Major Motion Picture! First published in 1956, Allen Ginsberg's Howl is a prophetic masterpiece—an epic raging against dehumanizing society that overcame censorship trials and obscenity charges to become one of the most widely read poems of the century.

This collection of poems by Ginsberg created a sensation when it was first published in 1956, becoming the subject of an obscenity trial and changing the literary landscape forever.

To celebrate the 50th anniversary of Howl and Other Poems, with nearly one million copies in print, City Lights presents the story of editing, publishing and defending Allen Ginsberg's landmark poem within a broader context of obscenity issues and censorship of literary works. This collection begins with an introduction by publisher Lawrence Ferlinghetti, who shares his memories of hearing Howl first read at the 6 Gallery, of his arrest and of the subsequent legal defense of Howl's publication. Never-before-published correspondence of Ginsberg, Ferlinghetti, Kerouac, Gregory Corso, John Hollander, Richard Eberhart and others provides an in-depth commentary on the poem's ethical intent and its social significance to the author and his contemporaries. A section on the public reaction to the trial includes newspaper reportage, op-ed pieces by Ginsberg and Ferlinghetti and letters to the editor from the public, which provide fascinating background material on the cultural climate of the mid-1950s. A timeline of literary censorship in the United States places this battle for free expression in a historical context. Also included are photographs, transcripts of relevant trial testimony, Judge Clayton Horn's decision and its ramifications and a long essay by Albert Bendich, the ACLU attorney who defended Howl on constitutional grounds. Editor Bill Morgan discusses more recent challenges to Howl in the late 1980s and how the fight against censorship continues today in new guises.

The People v. Ferlinghetti is the story of a rebellious poet, a revolutionary poem, an intrepid book publisher, and a bookseller unintimidated by federal or local officials. There is much color in that story: the bizarre twists of the trial, the swagger of the lead lawyer, the savvy of the young ACLU lawyer, and the surprise verdict of the Sunday school teachers who presided as judge. With a novelist's flair, noted free speech authorities, Ronald K. L. Collins and David Skover tell the true story of an American maverick who refused to play it safe and who in the process gave staying power to freedom of the press in America. The People v. Ferlinghetti will be of interest to anyone interested the history of free speech in American and the history of the Beat poets.
