Decide whether or not you want to support anarchism, planned-chaos and policies of reverting to less structured life, or to absolute "government" controls with block and union committees (tribalism). This means studying, researching, and learning about anarchism. Reading some basic introductions to anarchism is the first step.

If you're young and you think you want to be a writer, chances are you are already in the second camp. And all the advice you'll get from other people about writing only compounds this terrible impulse. Write all the time, they'll tell you. Write for your college newspaper. Get an MFA. Go to writer's groups. Send query letters to agents.

Want | Definition of Want at Dictionary.com

Do you want to be an Architect? It takes a lot of commitment and desire to become an architect. Nobody becomes an architect because they think it sounds cool or they like to draw. There is a lot more to it and I think it needs to be a calling for you to even think you will experience any measurable success.
