How effective a meeting will be depends on the tone set in the first few minutes...and it ' s up to the person running it to set that tone. Quick Meeting Openers for Busy Managers gives readers the tools, activities, and advice they need to create the kind of open, energetic,

and relaxed atmosphere that lead to effective meetings and serious results. Designed to take the anxiety out of meetings and encourage creative and practical discussion, the book contains meeting starters that will help managers, team leaders, and facilitators: ease introductions for people who don't know each other • warm up the group before moving them into more difficult territory • generate lively dialogue and sharing of ideas • effectively split attendees up into work groups • expedite brainstorming and promote problem-solving • and more For anyone charged with the task of running meetings, this book is the answer.

Games with Purpose mixes energizing, entertaining games with learning points to create an invaluable resource that will provide a fun introduction to hundreds of staple topics. There is something to suit every situation, from games needing little or no preparation or equipment, to big, memorable games that will stay with the group for a long time. The collection consists of mainly original game ideas, meeting the regular requirement for stimulating new games and icebreakers. Unlike other resources that simply seek to provide entertainment, Games with Purpose is categorised around popular topics providing youth workers with inspiration and ideas to help them to include games as a core component of their sessions, rather than just an add-on to dissipate surplus energy. Using themes from discussion starter resources The Ideas Factory and The Think Tank, this collection provides youth leaders with a complete solution - the book stands alone but by pairing these games with the discussion starters, youth leaders will have all they need to build a complete session.

This is an invaluable collection, offering 140 different activities, exercises and strategies, which the authors have tried and tested through years of teaching experience.
