Inquiry into Life, 14/e emphasizes the application of all areas of biology to knowledge of human concerns, what the students are able to relate to. This distinctive text was developed to stand apart from all other non-majors texts with a unique approach, unparalleled art, and a straightforward, succinct writing style that has been acclaimed by both users and reviewers. In the 14th edition, the authors have focused on the concept of inquiry and a student's inherent desire to learn. To do this, they integrated a tested, traditional learning system with modern digital and pedagogical approaches designed to stimulate and engage today's student.

Inquiry into Life was originally developed

to reach out to science-shy students. The text now represents one of the cornerstones of introductory biology education and was founded on the belief that teaching science from a human perspective, coupled with human applications, makes the material more relevant to the student. As scientists and educators, the authors are aware that scientific discovery is a dynamic process and the advances in digital publishing are allowing authors to update content on a regular basis.

In this engaging and provocative new book, Lee Eisenberg, bestselling author of *The Number*, dares to tackle nothing less than what it takes to find enduring meaning and purpose in life. He explains how from a young age, each of us is compelled to take memories of events and relationships and shape them into a one-of-a-kind personal narrative. In addition to sharing his own pivotal memories (some of them moving, some just a shade embarrassing), Eisenberg presents striking research culled from psychology and neuroscience, and draws on insights from a pantheon of thinkers and great writers—Tolstoy, Freud, Joseph Campbell, Virginia Woolf, among others. We also hear from men and women of all ages who are

wrestling with the demands of work and family, ever in search of fulfillment and satisfaction. It all adds up to a fascinating story, delightfully told, one that goes straight to the heart of how we explain ourselves to ourselves-in other words, who we are and why.
