Welcome to Israel. Few places on earth stir up passion the way that Israel does: the breathtaking beauty of its hills and valleys, the eerie stillness of the Dead Sea, the multi-coloured canyon of Makhtesh Ramon, and the ancient walls and pathways of Nazareth and Jerusalem. The call of the muezzin and the quiet prayers of Orthodox Jews at the Western Wall reflect how the religious devotion of the Muslims, Christians and Jews who live here runs through every facet of life.

to connections between the Bible and the land. The Holy Land is understood to overlap both present-day Israel and Jordan, so places like Gilead, Mount Nebo, Bethany-beyond-the-Jordan, and Petra are included. And while the biblical periods and biblical connections remain in the forefront, these are explored in the context of the Holy Land's long and fascinating history. Ancient "tells" dating back to the Bronze Age, colonnaded streets and temples from Hellenistic and Roman times, early Christian pilgrimage destinations, Crusader castles, Mamluk and Ottoman fortifications—all illustrated with chronological charts, maps, site plans, and photographs.

A trip to the Holy Land is on the bucket list of many Christians. But planning a meaningful trip in a place so filled with significant sites is an imposing task. Most travel guides are not prepared to link the Bible and land in an accurate and meaningful way because they are written for people of all faiths. So how can a Christian traveler prepare a trip that will illuminate God's Word and reveal the Lord's presence? In *The Holy Land for Christian Travelers*, John A. Beck provides a guide to the Holy Land for Christians with explanations of the biblical significance of important sites. The entries provide key Scripture references for reflection and a guide to the land that will encourage communion with God and a genuine spiritual experience for travelers as they walk in the footsteps of Jesus. A trip to the Holy Land can be a worship-filled, once-in-a-lifetime spiritual journey. This book puts a biblical scholar and experienced Holy Land guide at the reader's side.
