The mandolin is used in nearly every type of music today so it is a great choice of instrument whether you like jazz, folk, classical, country, bluegrass, rock, blues, Irish or many kinds of world music. Much of this music is available only in standard notation so that is where this book starts; TAB comes later. By learning the basic information presented in this volume, you will be prepared to approach any style. This book introduces the student to the instrument, explaining basics such as tuning and how to hold the instrument. the student is introduced to notes on each string and various left- and right-hand techniques. Chords, scales and arpeggios are introduced and students begin applying their new skills to real world repertoire in a variety of keys. 64 pages with audio.

Knowing how to cite textual evidence is a key component in reading and writing in education today. This resource equips teachers with the strategies they need to teach students how to cite textual evidence when reading and writing. Secondary school students will learn how to find evidence to support their opinions, incorporate that evidence in their writing, and accurately cite their sources. The ten lessons include proper MLA formatting, paraphrasing, using block

quotation, creating a bibliography, the use of credible sources, avoiding plagiarism, and more. Students will apply what they've learned through twenty practice exercises. Citing textual evidence powerfully strengthens students' writing, develops analytical thinking and logic, and readies students for college and career with lessons that are aligned to McREL, TESOL, and WIDA standards.
