In addition to that, the media themselves have to introspect and analyze whether they are doing their job in accordance with the noble intentions that underpin the media industry. Only when there is critical, self-analysis and effective regulation of the media by the government can there be a symbiotic relationship between the various pillars of democracy that is healthy and productive.

Introduction to Media - A Brief History

As shown in An Introduction to Mass Media, newspaper was the first mass media available to deliver news and information from 1690 until the introduction of radio in 1920. Newspaper has already become the only source of information and news to get from during the past century. It was the only way for a large number of people to get the news.
