These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

The fourth annual compilation of selected articles from the online Journal of the American Revolution.

The American Revolution was a home-front war that brought scarcity, bloodshed, and danger into the life of every American. In this groundbreaking history, Carol Berkin shows us how women played a vital role throughout the conflict. The women of the Revolution were most active at home, organizing boycotts of British goods, raising funds for the fledgling nation, and managing the family business while struggling to maintain a modicum of normalcy as husbands, brothers and fathers died. Yet Berkin also reveals that it was not just the men who fought on the front lines, as in the story of Margaret Corbin, who was crippled for life when she took her husband's place beside a cannon at Fort Monmouth. This incisive and comprehensive history illuminates a fascinating and unknown side of the struggle for American independence.

The inventor, the ladies? man, the affable diplomat, and the purveyor of pithy homespun wisdom: we all know the charming, resourceful Benjamin Franklin. What is less appreciated is the importance of Franklin?s part in the American Revolution:except for Washington he was its most irreplaceable leader. Although aged and in ill health, Franklin served the cause with unsurpassed zeal and dedication. Jonathan R. Dull, whose decades of work on The Papers of Benjamin Franklin have given him rare insight into his subject, explains Franklin?s role in the Revolution, what prepared him for that role, and what motivated him. e The Franklin presented here, a man immersed in the violence, danger, and suffering of the Revolution, is a tougher?person than the Franklin of legend. Dull?s portrait captures Franklin?s confidence and self-righteousness about himself and the American cause. It shows his fanatical zeal, his hatred of King George III and George?s American supporters (particularly Franklin?s own son), and his disdain for hardship and danger. It also shows a side of Franklin that he tried to hide: his vanity, pride, and ambition. Though not as lovable and avuncular as the person of legend, this Franklin is more interesting, more complex, and in many ways more impressive.

NULL

An examination of how wartime rhetoric in World War I influenced the home front fiction of four British women writers -- Violet Hunt, Rose Macaulay, Stella Benson, and Rebecca West.

Drawn from letters, diaries, newspaper articles, public declarations, contemporary narratives, and private memoranda, The American Revolution brings together over 120 pieces by more than 70 participants to create a unique literary panorama of the War of Independence. From Paul Revere's own narrative of his ride in April 1775 to an account of George Washington's resignation from command of the Army in December 1783, the volume presents firsthand all the major events of the conflict-the early battles of Lexington, Concord, and Bunker Hill; the failed American invasion of Canada; the battle of Saratoga; the fighting in the South and along the western frontier; and the decisive triumph at Yorktown. The American Revolution includes a chronology of events, biographical and explanatory notes, and an index.

She expected the redcoats to solve her father's murder. The redcoats and her father had other plans.In early June 1780, the village of Alton, Georgia, is rocked by the triple murder of the town printer and one of his associates, both outspoken patriots, and a Spanish assassin. Alton's redcoats are in no hurry to seek justice for the murdered men. The printer and his buddies have stirred up trouble for the garrison. But the printer's widowed daughter, Sophie Barton, wants justice for her father. Under suspicion from the redcoats, Sophie sets out on a harrowing journey to find the truth about her father;a journey that plunges her into a hornet's nest of terror, treachery, and international espionage.
