6. Spirituality is a practical science. Many of us have read books on Spirituality and spiritual concepts. However mere theory (even if it is correct) apart from providing direction to an individual, unless it is put into practice can never be experienced. It remains as just intellectual spiritual concepts to a person.

What is Spirituality

First, Christian spirituality is biblically defined as the practice of the beliefs of the Christian faith. It includes both knowledge and action. James 1:25 notes, for example, "But the one who looks into the perfect law, the law of liberty, and perseveres, being no hearer who forgets but a doer who acts, he will be blessed in his doing." From the earliest writings of the New Testament, the principle of integrated and authentic faith and action has been taught as essential to Christian ...

YOU ARE THE CREATOR: A Practical Guide to Spiritual ...

Spirituality is a broad concept with room for many perspectives. In general, it includes a sense of connection to something bigger than ourselves, and it typically involves a search for meaning in life. As such, it is a universal human experience—something that touches us all. People may describe a spiritual experience as sacred or transcendent or simply a deep sense of aliveness and ...

What Is Spirituality? | Taking Charge of Your Health ...

The first part of the book (The Foundations) looks at the theory of practical theology, and models for its application. The second part covers tools for practical theology; learning from experience, interdisciplinary working, theological reflection, action and spirituality; and to this has been added new material about mission in context today.
