progressing to more challenging mazes as your child gets more experience. Real world logic is incorporated in the mazes, examples are: help chicken to the coop and bring the ball to the hoop. Real world logic helps anchor the activities to real life situations and can be experience for your child.

Get your brain exercises going again with this amazing puzzle and mazes book. Your first grader will find this book truly entertaining and thought-provoking. These exercises shape your child's thinking skills, particularly their ability to grade an activity. Grading means having the capacity to break down complex information into more understandable bits. Grab a copy today!

Kids Word Search Puzzles and Maze Activity Book has been developed to help children learn words, but more importantly to recognize letters. This book is Volume 1 in a Word Search Series being developed with the help of a graduate in child teaching who has over 11 years teaching children from age 5 to 12. Included in the book are some fun maze puzzles that children also like to do and which develop their observation skills. Kids Word Search Puzzles and Maze Activity Book is an ideal book for your own children or as a gift for children in the ages of 5 - 9.

This book is filled with 400 awesome maze puzzles for hours of fun! Puzzles ranging from easy to more challenging, with the solutions chapter at the end of the book. Great for developing problem solving skills, spatial awareness and critical thinking skills. Fun and Challenging Mazes for Kids 8-12 is packed with mazes to entertain, stimulate, and challenge your kids.

prekindergarten through grade 3 students, and feature titles in a wide variety of skill areas to suit any need.

This book is one of the best activities for kids is, believe it or not, activity books?? As wonderful as reading books can be for stimulating the imagination, youngsters need more than that. Children's activity books are ideal for providing kids with more than just the early reading experience that is essential to their later academic strength. Activity books for kids that encourage children to solve mazes, join the dots, spot the difference, find the matching symbol, and even make basic cut-out models or crafts can strengthen various skills. They even can help young readers cultivate habits that will stand them in good stead for the rest of their lives.

Let your kid follow this easy and fun activity book, explore each maze and let them find the right way while getting educated! This ultimate Maze book for children contains 100 pages of an amazing, large printed mazes created just for your kids; Size 8.5" x 11" - large enough for small hands. It's a fun and easy way to train brain and wish to improve their problem solving ability, build confidence, improve motor control skills and make free time useful. Alternative card for Christmas and Birthday. Click on the Author name for more fun and challenging activity books.
