Download Ebook Saint George Of England Patron Saint Of England Collectables

St George is truly an international saint and England is not the only country or region to claim him as its patron. England shares St George with Venice, Genoa, Portugal, Ethiopia and Catalonia among others as their patron saint and many of these places have their own celebrations and ceremonies in his honour. 8.

At the heart of the myths and legends surrounding St. George lies the story of an early Christian martyr persecuted by the Roman Empire around the third century AD. But England is only one country to have adopted this soldier saint as their patron. Others, including Germany, Hungary, and Portugal, claim him as their own. The cult of St. George is astonishingly widespread, with churches dedicated to him in Ethiopia, Egypt, and Greece. His heroic struggle and victory against the dragon can be interpreted as representing the bravery of an individual Christian or the eternal battle between good and evil. There are, however, clear parallels between his battle and those of pre-Christian heroes such as Perseus and Beowulf. St. George is also identified with the Islamic hero Al Khidr, who is said to have discovered the fountain of youth. Associated with the coming of spring and functioning as a fertility symbol, has been closely linked to the Green Man of Pre-Christian Myth. St. George has also acted as a symbol of chastity and served as a healing saint. His flag has been appropriated by the far right, but in recent times come to identify a multicultural England.

How St. George became the patron saint of England has always been a subject of speculation. He was not English, nor was his principal shrine there - the usual criteria for national patronage ; yet his status and fame came to eclipse that of all other saints. Edward III's use of the saint in his wars against the French established him as a patron and protector of the king ; unlike other saints George was adopted by the English to signify membership of the "community of the realm". This book traces the origins and growth of the cult of St. George, arguing that, especially after Edward's death, George came to represent a "good" politics (deriving from Edward's prosecution of a war with spoils for everyone) and could be used to rebuke subsequent kings for their poor governance. Most medieval kings came to understand this fact, and venerated St. George in order to prove their worthiness to hold their office. The political dimension of the cult never completely displaced the devotional one, but it was so strong that St. George survived the Reformation as a national symbol - one that continues in importance in the recovery of a specifically English identity.

One of a set of 4 books on the national saints of the British Isles, published simultaneously with Saint Patrick: Patron Saint of Ireland; Saint David: Patron Saint of Wales; and Saint Andrew: Patron Saint of Scotland. Just who was St George? When and where did he live? And how did he come to be England's patron saint? And what about the famous dragon story? This useful little book covers all these topics providing background information that all patriotic youngsters will be interested to know.
