LIFE COMPETENCIES FOR GROWTH AND SUCCESS is a complete guide for trainers engaged in promoting life skills training and education. In today's complex world, life competencies play a very important role in shaping the personality of individuals, in helping them establish their self-identity and in preparing them to face the myriad challenges of life more effectively. This will coalesce into producing more conscientious, responsible and productive members of society. This Trainer's Manual can be used for training diverse groups of participants—those working with business firms or in the social development sector, young entrepreneurs, job aspirants, young executives looking for career-promoting and growth-oriented training opportunities, and technical or vocational trainees at different technical institutes under the skill-development programme of the Government of India. The Manual will also serve as a useful guide for self-improvement and self-training by all those who may not have access to formal training opportunities. The modular approach followed in the Manual will help trainers and training institutes in designing custom-made programmes for their groups.

From the acclaimed master of historical fiction comes an epic saga about a reluctant hero, the Roman Empire, and the rise of a new faith. Jerusalem and the Sinai desert, first century AD. In the turbulent aftermath of the crucifixion of Jesus, officers of the Roman Empire acquire intelligence of a pilgrim bearing an incendiary letter from a religious fanatic to insurrectionists in Corinth. The content of this letter could bring down the empire. The Romans hire a former legionary, the solitary man-at-arms, Telamon of Arcadia, to intercept the letter and capture its courier. Telamon operates by a dark code all his own, with no room for noble causes or lofty beliefs. But once he overtakes the courier, something happens that neither he nor the empire could have predicted. In his first novel of the ancient world in thirteen years, the best-selling author of Gates of Fire and Tides of War returns with a gripping saga of conquest and rebellion, bloodshed and faith.

Recreational Therapy Assessment is an evidence-based guide connecting the recreational therapy assessment process with the International Classification of Functioning, Disability and Health (ICF) to help therapeutic recreation professionals classify individuals' functionality to better meet the needs of clients.
