Any way to setup duet receiver without controller?

Logitech Squeezebox Duet Build Quality and Setup By Tom Andry — May 14, 2008 When I received the Squeezebox Duet, it was so new that there was hardly any information on the web - which was a problem considering that the Duet didn't come with a manual.

Logitech Squeezebox Duet Build Quality and Setup

The Squeezebox Duet includes a multi-room controller and one receiver, allowing you to listen to the music you love in one room. You can add additional Squeezebox family players to other rooms in your home so you can listen to different music in each room or synchronize players to hear
