Taking Care exposes the carelessness of these industries and urges the reader to re-enter the "battle for intelligence" against the drive-oriented culture of short-term ("short-circuited") attention characteristic of the negative aspects of the new technologies. Long-term attention, Stiegler shows, produces retentions of cultural memory mandatory for social development—and for the ...

Taking Care of Youth and the Generations. Bernard Stiegler, Taking Care of Youth and the Generations, Stephen Barker (tr.), Stanford UP, 2010, 238pp., \$27.95 (pbk), ISBN 97800804762731. This book, first published in French in 2008 and provided here in an excellent translation by Stephen Barker, argues that new media technologies, working lock step with speculative capitalism, are generating people unable to attend to themselves and others, and thus be responsible to fellow citizens.

Taking care of youth who have diabetes can be challenging, which is why it's important for parents, caregivers, and health care professionals to have the necessary resources to work as a team. This National Diabetes Month, we are focusing on ways to support youth who have diabetes with their care. Here, we're highlighting previous blog posts with guidance for working with youth and their parents or caregivers to manage the child's diabetes.

Parents/carers expect the church to have and enforce a child protection policy. This policy is aimed at creating an environment where children and young people may enjoy social contact, personal and spiritual development and where they and the leaders and helpers working with them will be kept safe.

Forms Policies and Fact Sheets - Presbyterian Church Ireland
Brush all of your teeth, not just the front ones. Spend some time on the teeth along the sides and in the back. Have your dentist show you the best way to brush to get your teeth clean without damaging your gums. Take your time while brushing. Spend at least 2 or 3 minutes each time you brush.
