Posts about Taking up The Runes written by annepetzer. Poetry and divination meet in this small but power-packed volume: Taking Up The Runes ascribes a thought-provoking haiku poem to each of the ancient runic symbols; Both upright and reversed runes are represented here in the spirit of the runic tradition. Each rune is also followed by a short divinatory meaning, making this book useful for ...

Today, the best-known application of rune lore is divination: chips or stones marked with the runes are drawn, cast, or laid out in patterns like tarot cards. In Taking Up the Runes, Paxson delves into the ancient historical meaning of each rune and explains their contemporary uses and meanings. We discover that the real power of runes comes from inside ourselves when we find the wisdom and power within each symbol and internalize them.
