That book has been kept available only as a rare hardback gift edition. Generations of copywriters haven't had access to this material. And the world would be a poorer place, except... Fortunately Schwartz was also prolific as a speaker. So we are able to bring notes of his lectures and a review of his classic text to life again. You can learn: - How to create ads which sell your products at the expense of your competition - Find which roles your customer really wants to play and align these to your product - Discover how to get a product to sell no matter how people have already heard about it or how many products like it are already out there. - Learn how to control your audience by being their friend.
