The Door in the Wall, by H. G. Wells

To him at least the Door in the Wall was a real door leading through a real wall to immortal realities. Of that I am now quite assured. And it came into his life early, when he was a little fellow between five and six. I remember how, as he sat making his confession to me with a slow gravity, he reasoned and reckoned the date of it.

The crippled son of a powerful nobleman sets out to prove his courage and his right to be recognized by the king.

The Red Room: An unnamed protagonist chooses to spend the night in an allegedly haunted room in Lorraine Castle. He intends to disprove the legends surrounding it. Despite vague warnings from the three infirm custodians who reside in the castle, the narrator ascends to "the Red Room" to begin his night's vigil.Initially confident, the narrator becomes increasingly uneasy in the room. He attempts to conquer his fear by lighting candles, but keeping the candles lit in the draughty room becomes an ongoing battle. Each time a candle is snuffed out, the narrator's fear increases. He begins to imagine that the drafts are guided by a malevolent intelligence. As the narrator's fear reaches a crescendo, he stumbles onto a large piece of furniture (possibly the bed), and ricochets off the walls, in a blind panic; hitting his head and eventually falling unconscious. The caretakers, who find him in the morning, feel vindicated when the narrator agrees that the room is haunted. They are eager to hear a description of the phantom, but he surprises them by explaining that there is no ghost residing in the room. The room is haunted by fear itself.The Door in the Wall, considered by both readers and critics, to be Wells's finest tale, examines an issue to which Wells returned repeatedly in his writing: the contrast between aesthetics and science and the difficulty of choosing between them. This collection also includes The Star, A Dream of Armageddon, The Cone, A Moonlight Fable, The Diamond Maker, The Lord of the Dynamos, and The Country of the Blind.The work also includes: The Star, A Dream of Armageddon, The Cone, A Moonlight Fable, The Diamond Maker, The Lord of the Dynamos and The Country of the Blind.

"The Red Room" is a short story written by H. G. Wells. First published in the 1896 edition of ¶The Idler¶ magazine, it is a quintessentially Gothic tale about a man who spends a night in a supposedly haunted room in Lorraine Castle in an attempt to disprove the legends surrounding it. This thrilling tale constitutes a must-read for fans of Gothic literature and Wells' seminal work, and it would make for a fantastic addition to any collection. Herbert George Wells (1866 ¶ 1946) was a prolific English writer who wrote in a variety of genres, including the novel, politics, history, and social commentary. "The Father of Science Fiction" was also a staunch socialist, and his later works are increasingly political and didactic. Today, he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as ¶The Time Machine¶ (1895), ¶The Invisible Man¶ (1897), and ¶The War of the Worlds¶ (1898). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

A riveting novel about the remarkable life¶and many loves¶of author H. G. Wells H. G. Wells, author of The Time Machine and War of the Worlds, was one of the twentieth century's most prophetic and creative writers, a man who immersed himself in socialist politics and free love, whose meteoric rise to fame brought him into contact with the most important literary, intellectual, and political figures of his time, but who in later years felt increasingly ignored and disillusioned in his own utopian visions. Novelist and critic David Lodge has taken the compelling true story of Wells's life and transformed it into a witty and deeply moving narrative about a fascinating yet flawed man. Wells had sexual relations with innumerable women in his lifetime, but in 1944, as he finds himself dying, he returns to the memories of a select group of wives and mistresses, including the brilliant young student Amber Reeves and the gifted writer Rebecca West. As he reviews his professional, political, and romantic successes and failures, it is through his memories of these women that he comes to understand himself. Eloquent, sexy, and tender, the novel is an artfully composed portrait of Wells's astonishing life, with vivid glimpses of its turbulent historical background, by one of England's most respected and popular writers.

This volume contains 33 short stories written by H. G. Wells. The stories were specially chosen by Wells as those that he most wanted to reflect his legacy in short story form. The collection includes the title story - his most well-known - and other masterpieces including the chilling revenge story "The Cone" and "The New Accelerator", a masterful example of his early comedic style. Contents include: "The Jilting Of Jane", "The Cone", "The Stolen Bacillus", "The Flowering Of The Strange Orchid", "The Avu Observatory", "Aepyornis Island", "The Remarkable Case Of Davidson's Eyes", "The Lord Of The Dynamos", "The Moth", "The Treasure In The Forest", "The Story Of The Late Mr. Elvesham", et cetera. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY Compared by critics to Kafka, Joyce, and Musil, H. G. Adler is becoming recognized as one of the towering figures of twentieth-century fiction. Nobel Prize winner Elias Canetti wrote that ¶Adler has restored hope to modern literature,¶ and the first two novels rediscovered after his death, Panorama and The Journey, were acclaimed as ¶modernist masterpieces¶ by The New Yorker. Now his magnum opus, The Wall, the final installment of Adler's Shoah trilogy and his crowning achievement as a novelist, is available for the first time in English. Drawing upon Adler's own experiences in the Holocaust and his postwar life, The Wall, like the other works in the trilogy, nonetheless avoids detailed historical specifics. The novel tells the story of Arthur Landau, survivor of a wartime atrocity, a man struggling with his nightmares and his memories of the past as he strives to forge a new life for himself. Haunted by the death of his wife, Franziska, he returns to the city of his youth and receives confirmation of his parents'¶ fates, then crosses the border and leaves his homeland for good. Embarking on a life of exile, he continues searching for his place within the world. He attempts to publish his study of the victims of the war, yet he is treated with curiosity, competitiveness, and contempt by fellow intellectuals who escaped the conflict unscathed. Afflicted with survivor's¶ guilt, Arthur tries to leave behind the horrors of the past and find a foothold in the present. Ultimately, it is the love of his second wife, Johanna, and his two children that allows him to reaffirm his humanity while remembering all he's left behind. The Wall is a magnificent epic of survival and redemption, powerfully told through stream of consciousness and suffused with daydream, fantasy, memory, nightmare, and pure imagination. More than a portrait of a Holocaust survivor's¶ journey, it is a universal novel about recovering from the traumas of the past and finding a way to live again. Praise for The Wall ¶[A] majestic novel . . . Adler's prose is tidal, surge after narrative surge rushing forward and then enigmatically receding, the moment displaced by memory, and memory by introspective soliloquy.¶[Cynthia Ozick, The New York Times Book Review ¶A towering meditation on the self and spirit . . . The writing is sonorous and so entirely devastating that the reader is compelled to pore over every word.¶Publishers Weekly (starred review) ¶Masterful and utterly unique.¶The Jerusalem Post ¶Haunting and utterly heart-wrenching . . . a literary masterpiece.¶[Historical Novels Review ¶An epic novel . . . an unforgettable portrait.¶The Jewish Week ¶[A] pensive portrait of a man struggling to find a place in the world after enduring transformative calamity . . . an eloquent record of suffering¶and perhaps of redemption as well.¶Kirkus Reviews Praise for H. G. Adler's novels The Journey and Panorama, translated by Peter Filkins ¶Modernist masterpieces worthy of comparison to those of Kafka or Musil.¶The New Yorker ¶Haunting . . . as remarkable for its literary experimentation as for its historical testimony.¶San Francisco Chronicle, on Panorama
