The Face of Evil—

In 1994, Robert Black was convicted of the kidnapping, sexual assault and murder of three young girls, and sentenced to life imprisonment with a minimum tariff of thirty-five years; in 2011 he was convicted of a fourth such killing. He died in HMP Maghaberry, Northern Ireland, in January 2016, aged sixty-eight, unscorned, and entirely unrepentant of his repellent crimes. These bald facts, horrific as they are, do not begin to scratch the surface of the truth about Robert Black, a Scottish-born serial killer who undoubtedly committed further murders for which he was never tried, both in this country and on the Continent. In this ground-breaking account, Robert Giles, who has spent years tracing the killer's movements and sifting through all the evidence, including transcripts of the trials, convincingly argues that Black was an habitual serial killer over many years, and quite certainly responsible for more than the four child murders for which he was convicted. Co-written with Chris Clark, a former police intelligence officer whose tireless work into the Yorkshire Ripper produced convincing new evidence of other murders that went unnoticed or unrecorded, The Face of Evil shows once and for all that Robert Black was a serial killer whose crimes went far beyond what is generally believed. In doing so, it paints a portrait of human cruelty at its worst.

When the Tardis lands on an alien planet instead of Earth, the Doctor befriends Leela, a banished warrior of the Sevateem tribe, and he becomes entangled in a war between two tribes which has been instigated by an all-powerful computer, Xoanon, and he has to battle three enemies in order to set things right.

Ten-year-old Dina Frydman lives a comfortable middle class life with her family in Radom, Poland in the summer of 1939, just weeks before the Nazi invasion. The love of family and friends offer no protection against the menace of the Nazi regime that begins to siphon off the worldly and spiritual goods of Radom's Jews. We witness Dina's battle to survive and understand the deadly apocalypse that transforms her from an innocent child to a teenage/adult. When her family is deported and murdered at Treblinka she finds safety at a forced labor facility where she experiences her first taste of love when she at sixteen meets Natek Korman, a passionate sixteen year old who rekindles her will to live. Forced by the Nazis to separate, the young lovers vow to find each other after the war. From work camps to death camps, Dina survives against all odds. The aftermath of six years of death and destruction presents a new obstacle, how to live? With the war over Dina travels from a German castle to a DP facility and finally a school for orphans as she struggles to reclaim her life. In 1945, she is reunited with Natek Korman only to face the most important decision of her life. She chooses to follow her dream. In the Face of Evil is a timeless story of the upheavals of war, the tenacious endurance of love and the resilience of the human spirit. It is an epic journey through the nightmare of the Holocaust-the single most defining moment in modern history, as told through the eyes of a young girl.

"True faith is not wishful thinking, feelings, or even the key to receiving the things we want, " says Jerald Daffe. He relates the experiences of the prophet Habakkuk to our day and shows that by applying the same principles we can indeed find faith in the face of evil.

A book of the author's actual experiences as he comes into contact with the activities of the powers of darkness and the treatment of multiple personality disorder (DID) in the ministry. Among the issues discussed are Satanic Ritual Abuse in the United States. The history of his inner and outer struggle becomes an open book to be read. The book helps expose how dark the darkness of evil really is.

The Faces of Evil Series: Book 1 She thought she'd left the murders-and his obsession-behind . . . Special Agent Jess Harris has spent more than a decade studying the many faces of evil. In her determination to stop a serial killer, she broke the rules, and it cost her everything. With her career in need of resuscitation and her love life dead and buried, Jess jumps at a chance to advise on a case that has the top detectives of Birmingham, Alabama, stumped. But the case forces her to confront all the reasons she put her hometown-and her first love-in her rearview mirror. Four young women have gone missing, and Police Chief Dan Burnett will do anything to find them before it's too late-even if it means asking for help from the woman who has spent a decade avoiding him. Jess agrees to lend a hand and welcomes the diversion of a new case, a new life to save to make up for the victims she's lost. But then the unthinkable happens: the crazed serial killer from her past follows Jess to Birmingham. The situation is becoming increasingly desperate-and time is swiftly running out . . . "Compelling main characters and chilling villains elevate Debra Webb's Faces of Evil series into the realm of high-intensity thrillers that readers won't be able to resist." -- New York Times bestselling author CJ Lyons "Just when you think Debra Webb can't get any better, she does. OBSESSION is her best work yet. This gritty, edge of your seat, white knuckle thriller is peopled with tough, credible characters and a brilliant plot that will keep you guessing until the very end. Move over Jack Reacher - Jess Harris is comin' to town." -- Cindy Gerard, New York Times best-selling author, award winning author of the Black Ops, Inc. series "Debra Webb's name says it all..." -- Karen Rose

This meticulously researched biography creates a complete and balanced picture of Rainhard Heydrich. A leading figure within the Nazi Party, he was responsible more than Himmler for the planning and execution of the Holocaust. Having joined the Nazi Party in 1931, Heydrich rose quickly through the ranks of the SS. By the age of twenty-nine he had become an SS Brigadier General, and his ruthless ambition led many senior Nazis to believe that he was the natural successor to Hitler. It was Heydrich's initiative to create the Einsatzgruppen, paramilitary units which were established before Operation Barbarossa to murder Jews and political operatives of the Communist party. In 1941 Heydrich was made Protector of Bohemia and Moravia. Supremely confident of his authority within the province, he would often drive alone in an open-top car. British-trained Czech partisans took advantage of this gesture, and in 1942 carried out a daring assassination attempt. Heydrich was mortally wounded in the ambush and died a week later in hospital. The reprisals that followed were brutal: more than 15,000 Czechs were murdered and the town of Lidice was razed to the ground. This book examines Heydrich's meteoric rise to power, his complex personality, and the aftermath of his death: Hitler's vengeance and the postwar fortunes of Heydrich's widow and descendants.

The Faces of Evil Series: Book 2 Her nightmare isn't over yet . . . The Player is a master in the art of torture and murder. No one had ever gotten close to capturing him until Special Agent Jess Harris targeted him with her relentless determination. Jess's actions may have cost her a job with the bureau, but the Player still wants his vengeance and he'll make Jess pay in ways she never imagined. The first victim is Jess's friend-and the killer won't stop there. With each new death Jess becomes more certain that the only way to stop the Player is to give him what he really wants: her. Chief of Police Dan Burnett is determined to give Jess her confidence and her life back. With an offer on the table, a position as deputy chief of a new division, can Jess risk staying in her hometown and putting those around her in more danger? Or will she walk away to protect everyone she loves-including Dan, who just may want her back in his arms? The stakes are high, and a single impulse will determine who survives the Player's final, deadly game . . . "Compelling main characters and chilling villains elevate Debra Webb's Faces of Evil series into the realm of high-intensity thrillers that readers won't be able to resist." -- New York Times bestselling author CJ Lyons "Just when you think Debra Webb can't get any better, she does.
