Thriller With a Jaw ...*

The Missing Ones by Patricia Gibney
has the makings of an outstanding
crime thriller series. I find it incredible
that this is the authors debut novel, as

Access Free The Missing Ones An Absolutely

it's polished, well plotted and gripping. With a disturbing prologue and a "heart in your mouth" first chapter (which chilled me to the bone)

I found myself absorbed in this dark and disconcerting tale. All my reviews can be found at
