The Perils Of Belonging Autochthony

In The Perils of Belonging, Peter Geschiere traces the concept of autochthony back to the classical period and incisively explores the idea in two very different contexts: Cameroon and the Netherlands. In both countries, the momentous economic and political changes following the end of the cold war fostered anxiety over migration.

The Perils of Belonging: Autochthony, Citizenship, and ...

This is the question Peter Geschiere answers in his tour de force, The Perils of Belonging: Autochthony, Citizenship and Exclusion in Africa and Europe. The book provides a summation of Geschiere ' s analysis of the politics of autochthony in Africa, a field that he virtually created in the 1990s and 2000s in collaboration with a handful of African and European colleagues.
