They feature fantasy beings like dragons, dwarfs, fairies and talking animals. They aren't just for kids. In fact, many are complex morality tales; some are graphic or morbid, and shouldn't be read to children at all.

The heavens were a stainless blue, and the Moon shone out of them arrayed in silvery garments. One by one the sky's matchless jewels, the stars, peeped out, studding that great ceiling with flashing diamond-points, until the whole dome was a glittering mass of blue and silver. Calm and majestic the Moon glided over her star-studded pathway, but, in spite of her glorious beauty and brilliancy, she was really sad and sick at heart. Ethelda, her best beloved, the youngest and dearest of her children, had just made a request of which caused her that night bitterest sorrow. Ethelda had asked no less than this, to visit the Earth and spend her honeymoon there! Prince Dorion came with a great retinue of knights, all dressed in shining gold wrought in the Sun's fiery furnace, and bringing wonderful jewels to his bride. The Moon Queen, not to be outdone in magnificence, showered silver in plenty upon them both, and bade one hundred of her loveliest maidens accompany the bridal pair upon their journey. And so they set off across the heavens on their way to Earth. ... But what adventures await the young couple? How will the little folk, the fairies, like this? Will the Prince and the Princess' brilliance overshadow Earth's Fairy King and Queen, annoying them, or will they be welcomed with open arms? Well, the only way to find out is to download the book and read this wonderful tale of fairies, fairy Kings and Queens and fairy Princes and Princesses. 10% of the profit from the sale of this book will be donated to charities. ===== Abela Publishing - Publishing Yesterday's books for Today's Charities 10% of the book's profit is donated to charities. ===== ABOUTH THE AUTHOR Edith Ogden Harrison (November 16, 1862 - May 22, 1955) was a well-known and prolific author of children's books and fairy tales in the early decades of the twentieth century. This book is for all little boys and girls who love fairies and pixies. Hewe we have a story about a boy named Wendell, who lives in Boston and likes fairy stories and baseball MUCH more than he likes fractions - but he does like reading and can be found in the children's section of the library on most days. He even checked fairytale books out of the library and took them home with him. At night his parents had to take the books away from him as he was quite often found in the early hours of the morning reading a book under his covers with a torch. Then Wendell reads about the Wishing Stone. On making enquiries he finds it is no longer where his book said it would be and he starts to make enquiries as to its current whereabouts - and so starts Wendell's adventure across Boston and into the land of Fairydom. This volume is sure to keep you and your young ones enchanted for hours, if not because of the quantity, then their quality. They will have you coming back for more time and again. ===== KEYWORDS/TAGS: fairy tales, folklore, myths, legends, children's stories, childrens stories, bygone era, fairydom, fairy kingdom, ethereal, fairy land, classic stories, children's bedtime stories, happy place, happiness, laughter, Wishing Stone, Pixie Starts It, First Task, Wendell, Unexpected, Ally, Frog, Out Of The Common, extraordinary, Enchanted Maiden, Midnight Spell, Cousin Virginia, Caller, Break, Charm, spell, Giant, House, Cloak Of Darkness, invisibility, Blind Man's Buff, bluff, Cap Of Thought, Magic Book, Choice, Happy Family, Sammy, Tries His Hand, Acorn, Beacon, Beauteous, Beautiful, Boston, Cap, Cousin, electric, freckle-faced, Kobold, library, magic, Maiden, Mummer, Park, Pixie, riddle, Sammy, school, shape, squirrel, stepmother, Stepsister, telephone, Virginia, Wendell, young

The retelling, in novella form, of the epic poem by Edmund Spenser. Queen Gloriana ruled over a magnificent land, a rich and beautiful country. In her court she had 12 chief knights. Each of her 12 chief knights was known as the Champion of some virtue. Thus Sir Guyon was the representative of Temperance, Sir Artegall of Justice, Sir Calidore of Courtesy, and others took up the cause of Friendship, Constancy, and so on. During a great feast, which lasted 12 days, a stranger in poor clothes came to the court, and, falling before the Queen, begged a favour of her. It was always the custom at these feasts that the Queen should refuse nothing that was asked, so she bade the stranger say what it was he wished. Then he besought that, if any cause arose which called for knightly aid, the adventure might be entrusted to him. When the Queen had given her promise he stood quietly on one side. Soon after this there rode into the city a fair lady on a white ass. Behind her came her servant, a dwarf, leading a warlike horse that bore the armour of a knight. The face of the lady was lovely, but it was very sorrowful. Making her way to the palace, she fell before Queen Gloriana, and implored her help. She said that her name was Una; she was the daughter of a king and queen who formerly ruled over a mighty country; but, many years ago, a huge dragon came and wasted all the land, and shut the king and queen up in a brazen castle, from which they might never come out. The Lady Una therefore besought Queen Gloriana to grant her one of her knights to fight and kill this terrible dragon. Then the stranger sprang forward, and reminded the Queen of the promise she had given. At first she was unwilling to consent, for the knight was young. However, the Queen kept her word and consented. He was given an old suit of armour upon which was a red cross, and was quickly named the Red Cross Knight. So the stranger and Una rode forth into the world together, while a little way behind followed their faithful attendant, Prudence. And now you shall hear some of the adventures that befell the Red Cross Knight and his two companions.

The Elves of Mount Fern live in Eilifland. But Eilifland is not a single place. It is everywhere and can be found in every corner of the world, under every mushroom, in every burrow and in every tree with a crack in its trunk, but especially in woodland, forests and glades. They also make their homes on wooded hill sides or beside tinkling streams. In the dead of night, when the moon is full and it's human inhabitants are visiting Dreamland, they venture forth from their dwellings and can be found dancing in the fairy circle or visiting the households of poor, but kind and deserving folk. Whatever they are doing, they will sing and dance their way through the night, but at the first hint of dawn, will scurry back to their hidden homes as fast as their legs, or wings, will take them. So, if in the morning when you awake, don't be surprised if you can only find one shoe, or if your towel has small grubby hand prints, or even if the kitchen utensils are all mixed up. Just smile and know that the little people visited last night. This volume is sure to keep you and your young ones enchanted for hours, if not because of the quantity, then their quality. Herein you will find 5 books containing 84 old Eastern European folk and fairy tales, plus tales of dragons, both magnanimous and evil, tales of princes on their white chargers dashing in to rescue princesses in distress and tales of the little people - the fairy folk who stitch together each and every fairy tale. These books were bestsellers when they were first published, some over 120 years ago, at a time when people REALLY DID BELIEVE in fairies. These are tales from the forests and lane-side hedgerows as well as tales of fairy dances, which only ever occur at midnight under a full moon. And then there are tales of how lowly laborers applied their brains to a situation to win the hand of princesses and become kings of kingdoms. Plus there are other tales of how kings, forever protective of their precious princesses, set ever more difficult challenges to those wanting to win the hand of their daughters, who, of course, are the fairest and most beautiful in all the land! Ideal for parents, grandparents and lovers of fairy tales and of all things magic! In addition this is a unique collection for primary/elementary school libraries. TEACHERS read a page or two from each story at the end of the school day and have your students queuing up to hear the next part of the story day after day.
