In un mondo in cui la corruzione e la criminalità minacciano l'esistenza stessa della società civile, un gruppo segreto chiamato Black Label elimina con precisione chirurgica il male di cui la polizia non può occuparsi. Ora in città c'è un nuovo vigilante che purga i criminali in un fuoco purificatore. In che modo la Black Label deciderà d'affondarlo? Shouji Sato, il disegnatore di "Highschool of the Dead", firma un nuovo manga adrenalinico!

While Black Label is locked in a stalemate with Syringe, D breaks ranks to confront Arashi. Though Arashi is reluctant to let his personal grudge distract him from the larger disaster at hand, the threat against Kominato is too great to ignore. Arashi's past and future priorities converge in this final confrontation with the terrorist D!!

A new, unknown jet injector is loose in the city, sowing the seeds of chaos and death. The humans she infects turn into frothing, raving white-haired maniacs driven to torture and kill. And what's worse--anyone who comes into close contact with these monsters is liable to become one themselves. Tatara and Suzue are in trouble--will Black Label reach them in time!?

Oriha's TV career is just kicking off, and a live performance with a pair of pop-idol rivals will surely boost her popularity to even greater heights! But when the studio and cameras suddenly go dark, Oriha discovers she's been upstaged by an armed and angry terrorist group whose plan for "reform" involves executing the idols one by one. But Oriha isn't ready to make her final bow just yet!!

The truth--that Fiona is not only immortal, but also the source of the unnatural powers and ability to transcend death that those injected with D99 receive--has been revealed. And what choices do Mochizuki, burdened with unforgivable crimes and driven into a corner by Syringe, have left to make...?

Yuuko returns to her childhood home to confront a shadow from her past. Darkness has consumed someone who was once family--and turned her into a deadly enemy. But Yuuko has forged new bonds in Black Label, and with their support, she is able to sever this last link to her past. As Syringe threatens to unleash the next stage of infection upon the city, Yuuko and the team return to the "operating theater" once more!

As their adversary grows more aggressive, Black Label is forced to take drastic action. Bypassing the chaos of the streets above, the survivors are led through deep underground tunnels to the safety of Mochizuki Hospital-the heart of Black Label itself! Risking their organization's exposure may be the only way to save the city, but with Reika Togo's whereabouts and intentions still a mystery, the risk may be greater still...!

From the director Mamoru Hosoda comes the story of an ordinary family going to extraordinary lengths to avert the impending cyber apocalypse! Kenji is your typical teenage misfit. He's good at math, bad with girls, and spends most of his time hanging out in the all-powerful, online community known as OZ. His second life is the only life he has - until the girl of his dreams, Natsuki, hijacks him for a starring role as a fake fiancée at her family reunion. Things only get stranger from there.

Crying Freeman, the deadliest assassin of the 108 Dragons clan of the Chinese mafia has taken a bride, and she has passed the harsh tests of the Dragons and been given a new name, Hu Qing Lan, "Tiger Orchid." And despite Freeman's Japanese heritage, he has been chosen to become the eventual leader of the Dragons. But someone inside the Dragons wants Freeman dead, and Tiger Orchid should make a fine hostage to draw Freeman into the open . . . where a monstrous killer awaits! Written by manga legend Kazuo Koike, creator of Lone Wolf and Cub and Samurai Executioner, and illustrated by the acclaimed Ryoichi Ikegami, Crying Freeman is manga at its most adult: intensely violent, morally ambiguous, and boldly erotic. - Featuring an all-new translation, Dark Horse's Crying Freeman is the first English-language edition of the title in the original non-westernized format! - From the writer of Lone Wolf and Cub, Lady Snowblood, and Samurai Executioner!

During a field trip with their middle school classmates, childhood friends Kaguya and Himawari are abducted by the secret society Millennium. The evil organization is notorious for the havoc it's wreaked, but is it possible they're...not the bad guys? After Kaguya gets a glimpse behind the curtain, everything starts to change, and she becomes privy to the truth underneath the world she lives in. Now that she's bestowed with the power to transform into a magical girl, what path will she choose?
