From historic tales of serial murder to present day criminal psychopaths, Ireland has more than its fair share of true crime stories. The True Crime Stories series looks at the most notable criminal events, the people behind them, and the horror of their crimes. A must-read for anyone with an interest in Ireland or true crime books, Irish Crime by Roger Harrington is a chilling, factual exploration of Ireland's murkiest secrets.

In the most basic sense, a true crime movie tells the story of a real life historical crime. It takes its cues from the actualities of what happened, telling the story through the real people involved. There might well be fictionalized elements included. But overall, the facts of what actually happened make up the narrative.
