that is required to meet the welfare needs of Malawi's increasing population. There is need for Malawi to adopt a new industrial policy that sets the country on a path of economic structural transformation and industrialization. This is also needed because Malawi is lagging behind other regional member states in terms of economic growth.

*Welfare policy and industrialization in Europe, America ...*  
Seeking solutions to address the poverty and social imbalance, which were caused by the industrialization, social policy tried to make balance between economy and social policies. The migrations to industrialized regions with the impact of industrialization caused new professions, negative life and work conditions, and poverty.
