Wide-ranging book, covering all there is to say about the White Nile in the latter 1800s, from the heroics of the discoverers of the White Nile's origins, about mid-century, to the epic defeat of the Sudanese 'fuzzy-wuzzys' at the hands of the British under Kitchener just before 1900. The book rightly expands on the important slave trade from Africa to the Middle East, which it took

During flood (June–September) the river provides less than 30 percent of the main Nile flow at Khartoum because the force of the floodwaters of the Blue Nile holds back the White Nile, turning it into a lake. At low water (April–May) the White Nile's flow is uninhibited, and its contribution is more than 80 percent of total volume.
